

WOW! – our team is good

When it comes to healthcare, the people caring for you make all the difference in the world. Floyd has invested millions of dollars in new surgical facilities and technology, but our greatest investment is in our people. Why? Because you deserve a wow experience. Our customer service is award-winning. We're a national leader in employee satisfaction. And, Floyd is a Best Practices hospital in surgical infection prevention. Wow, that's healthcare expertise that goes well beyond expectations. When you need surgery, let us WOW! you.
